

Relative Change in Median Home Prices Since 1990

Indianapolis, IN & Cape Coral/Ft. Myers, FL

Percent Change
from 1990
1990 = 100

A home valued at \$100,000 in 1990, increased in value by 2005 to \$167,000 in Indianapolis and to \$443,000 in Ft. Myers. But that same home decreased in value to \$137,000 in Indianapolis and to \$168,000 in Ft. Myers.

If you bought the home in Ft. Myers in 2005, you have seen its value drop to only 40% of what you paid. The home purchased in Indianapolis in 2005, however, has retained over 80% of its value.
